**RE: Butte Mine Flooding Operable Unit, Water-Level Monitoring and Water-Quality Sampling, 2022
Consent Decree Update, Butte, Montana - 1982-2022**

Dear Daryl and Nikia:

Thank you for your review and approval of the draft Butte Mine Flooding Operable Unit, Water-Level Monitoring and Water-Quality Sampling, 2022 Consent Decree Update, Butte, Montana - 1982-2022 report. I have placed the final report (MBMG OFR 761) on the MBMG FTP site for your electronic copy download:

<https://mbmgftp.mtech.edu/DEQ/BMFOU-2022%20Annual%20Report/BMFOU-2022-OFR-761.pdf>

No hard copies of the report are being provided this year in keeping with current agency protocols.

Do not hesitate to contact me if you have any questions about the report or the monitoring program in general.

Sincerely,

Ted Duaine
